

# SPKRS

The compact Degauss SPKRS is a perfect introduction to the stunning performance of Degauss earphones. In-ear casing comes in a variety of colors. The Second generation SPKRS are made for your everyday use to for your personal style.

## The Sound

The earphones deliver a powerful and rich sound. The SPKRS gives you a nice bass boost, clear mid's and a perfect level of treble.

## The Design

The aluminum housing made of the finest material on the market absorbs vibrations and preserve the desired sound quality. The flat cable is made in a high quality material for long lasting sustainability and gives you a tangle free life.

## The R8 Speaker Driver

Degauss R8 speaker driver gives you a powerful sounding earphone. The R8 armature delivers a warm, detailed sound with resonant and deep bass. The sound is calibrated with precision to give you an accurate music listening experience.

## Take Control of Your Smartphone

With these earphones you can easily take control of your Phone. The SPKRS have a one button remote with a microphone which gives you access to play, pause your music and answer and end calls.

## Made for Your Favorite Smartphone

SPKRS comes in various versions to fit your smartphone brand. Works with most Apple iPhone, Android and Nokia WP based devices and follows a 3,5mm plug standard.
